FOLIO / PRACTICE DOCUMENT

Portrait report

File position: 1 of 1

Printed page label: 1

A4 portrait / 210 x 297 mm

Merge this document first, followed by the landscape sample.

Expected output: this A4 portrait page followed by a wider page.

Merging should preserve both original page dimensions.

Landscape appendix

File position: 1 of 1

Printed page label: 1

US Letter landscape / 11 x 8.5 inches

Place this after the A4 portrait sample in Merge PDF.

Expected dimensions: 792 x 612 PDF points.

A wider page in the result is expected; the content has not been stretched.

Original fictional sample. Free to use for learning and testing.
